Rantatie 1 B8, 21200 Raisio
Finland

About me

I am a 25-year-old information technology student from Raisio. I'm looking for a job where I can use my skills and continue to develop as a programmer. My main goal is to gain work experience in the field of information technology. I choose IT because problem solving and teamwork are my strengths. I'm not afraid of new challenges. I am willing to work in Turku and possibly beyond Finland.

Education

University of Turku	2015 – continues
Information technology Bachelor and Master of Science in Technology	
Student exchange – Italy, Padova ½ year Mainly courses about machine learning	2019
Graduate Turun lyseon lukio	1.6.2015

Language skills

Finnish	Fluent
English	Fluent
Polish	Mothertongue

Skills

Programming:	During my studies I coded mainly using object-oriented languages such as Java, Python, C ++, C (mainly projects during my studies)
Basic knowledge in:	Version control Git, SQL, Scrum, Kanban, CSS
Other:	Driver's License class B
